Lab submission general instructions: 2020/2021

Dr Mercedes Torres Torres

Submission Instructions

1. The submission will take place on the 21st of April from 11:00AM to 1:00PM.
2. If you have a Support plan, your accommodations will be applicable here.
3. Questions and materials for the submission (.Rmd, PDFs, etc.) will be released at 11:00AM on the 21st of April and will be available in the COMP4030 Moodle page.
4. The lab submission will be remote. You will have two hours to solve the problems in the lab submission and upload the .Rmd file with your answers in the appropriate link in Moodle.
5. The submission is open book.
6. Late submissions are not allowed.

Submission Advice

1. Have your **full name** and **student ID** prepared.
2. Read the whole submission first **at least twice**. Make sure you understand clearly what is being asked.
3. Follow the instructions in the Lab Submission.
4. Organise your time wisely.
5. Do not leave submissions to the last minute.
